Dear Author,  
Thank you for your contribution.  
Please note that as we do not have fundings for the journals from 2022, we have to charge the authors 700 USD from 2023, once the paper is accepted.  
Please also note that the double-blinded reviews will take 3 to 4 weeks, this is to ensure a quality review.  
Due to a very long backlog and we cannot publish too many papers (issues), please note that it will take about 9-12 months from submission to publication of your paper, if not sooner. However, ALL accepted papers will be published as online first.  
Please let us know if you accept this policy or not. Then we will take the next step. Thank you.  
Best regards,  
Mincong

Dear Author,

Please check the acceptance letter and invoice for your paper.

You are recommended to make a wire to cover the APC. Or you can choose to make a payment through Paypal to the account: [manager@sc-press.com](mailto:manager@sc-press.com), the paypal charge would be 35 USD.

Thus if you use Paypal, you have to make a payment 735 USD for your paper.

However, you are suggested to make a transfer to 'Family or Friends' instead of buying service/product. If you do it in this way, you should only transfer 700 USD instead of 735 USD. Because there will be no transaction fee (5%) from Paypal.

Once you have done in either way, please send us the slip (confirmation).

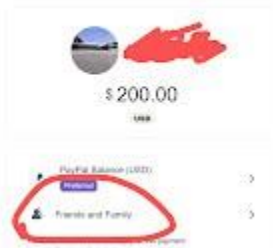

Thank you very much for your cooperation.

Best regards,

Mincong Tang
