Dr. Andi Muh Rusdi Maidin; Dr. Rajamemang; Dr. Yudhie; Wahyuti, Dr. Muhammad Sabir, Andi Tenri Ulmi, Dr. Sarip:

We have reached a decision regarding your submission to Revista de Gestão Social e Ambiental, "Journal/Artickle CIGARRETES, BETEL LEAVES, AND ARECA NUTS IN THE ACTIVITIES OF THE TOLOTANG COMMUNITY OF BENTENG INDONESIA".

Our decision is to: Decline Submission

Due to the editorial policies of our journal, from now on we will accept submissions only from Brazilian authors. Your paper has already been evaluated, and was REFUSED in the RGSA journal, but can be ACCEPTED in the Journal of Law and Sustainable Development, which is also indexed in SCOPUS and Q2 Scimago, serves as a dynamic forum for understanding and advancing scientific consensus in the field of law and sustainable development.

The reviewers recommended that the following details be observed in your paper:

- The abstract should be in the structured mode as per other articles published in the journal.
- The article must necessarily be divided into: 1. Introduction (in running text, without subheadings, presenting contextualization, objective or research question and justification), 2. Theoretical Framework, 3. Methodology, 4. Results and Discussion, 5. Conclusion.

After the corrections, you can send the final corrected article to the OJS and e-mail of the journal, which I inform below the correct address:

jlsd@openaccesspublications.org

We are adopting this measure, to maintain our indexing since it is a journal focused on Brazilian authors and to develop science and our scientific community in our country.

Thank you for your understanding and any questions we are at your disposal.

Best regards.
