Dear Author(s),

Please find attached the PDF proof of your paper which is to be published in the *European Journal of Theoretical and Applied Sciences* (ISSN 2786-7447).

Proof Corrections

Keep your corrections to a minimum. Only essential alterations may be made at this stage. Please use the proofs solely for checking the accuracy of the typesetting as well as the completeness and correctness of the text, tables and figures. Changes to the accepted content will not be considered. Please note that the page numbers may be different once the paper is published.

To avoid commonly occurring errors, please ensure that the following important items are correct in your proofs (please note that once your article is published online, no further corrections can be made):

- Names of all authors present and spelled correctly;
- Titles of authors are correct;
- Affiliations are correct;
- E-mail address of corresponding author is correct;
- Funding bodies included and grant numbers are accurate;
- Title of article is correct;
- All figures and tables are included;
- Equations are correct (symbols and sub/superscripts).

We ask that you make all corrections only to the electronic file (PDF).

Finally, proofreading is your responsibility, and although the Editor in Chief may also make corrections, AMO Publisher will not be able to proofread the paper after it has been returned, and will not assume responsibility for any errors that you have failed to correct in the proofs.

Your response, with or without corrections, **should be sent within 72 hours of receipt of this material**. Corrections must be clearly marked on the PDF file and should be sent as an e-mail attachment to: amopublisher@gmail.com

We hope you are sufficiently informed.

With kind regards, Victoriia Lebedenko
