Dear Contributor,

I introduce myself as Vinodhini Kumarasamy of Macmillan Publishing Solutions and I am the Project Manager for your book. I shall be handling the copy-editing and typesetting of the book on behalf of Carole Caines, Project Manager at Emerald.

At this stage, I would like to draw your attention to some key dates in the production schedule: First proofs will be available from 28th September to 05th October with corrections to be returned by you within 6 working days of the receipt of the proofs. If you do not return any corrections within this period, we will assume that you are satisfied with the proofs and continue into the next stage of production. Please let me know immediately if these dates do not fit in with your agenda.

To ensure the fastest possible turn around, the proofs will be sent to you by email as a PDF attachment. PDF documents can be read on any computer using an Adobe Acrobat reader. Acrobat Readers for all computers are available to download (free of charge) from <http://www.adobe.com/products/acrobat/readstep.html>

Dear Dr. Firman Menne,

We are herewith attaching the First proof of your contribution as PDF along with queries if any.

Please check the proof carefully, especially any queries that have arisen during the copyediting of your manuscripts. Please ensure to reply to all the author queries listed in the last page of the attached PDF.

In principle only typesetting errors may be corrected; other changes may be charged to the author. Extensive corrections may disrupt the publication schedule and therefore should be avoided.

Also attached is the PDF of Contents and List of Contributors. Please review this page also and check your name and affiliation. Then, compare it with your name as it appears on the chapter beginner page. Both must correspond. Correct discrepancies for yourself and your co-authors, if applicable.

Please return your corrected proofs so as to reach me by 05th October, 2016 by email.
